ABOUT US...KATHERINE AND DOUGLAS

The Skyline was a concept birthed from partners Katherine Lopez and Douglas Miller. Both partners share a passion for hospitality and serving others. Douglas comes from a background of real estate development and Katherine comes from the Event Industry, where she still owns Sweet August Events. When their paths crossed they were very adamant in building something that San Antonio needed and also building a space that not only clients felt good in but vendors too. Douglas and Katherine are very proud of The Skyline and hope to service many different events and life moments.

THE VENUE...THE SKYLINE

The Skyline is a beautiful, clean, modern and urban venue located in the downtown San Antonio area Dignowity Hill. It can accommodate 300+ people and provides the essentials, such as tables and chairs. The venue has a beautiful rooftop with an amazing view of the San Antonio Skyline that is great for ceremonies, cocktail hours or a Texas sky reception. The space does not limit its creativity of usage and has proven to be very versatile.

SEASONAL CALENDAR

The Skyline breaks down it's rental packages into four seasonal pricing structures. These are based off of peak seasons and demand.

Winter Season

January
February
March

Spring Season
